Dear Kieran O'Brien:

Congratulations on becoming an Oracle Certified Master, Java SE6 Developer! Your Oracle Certification gives you that competitive edge, proves your knowledge, and positions you for success. Enclosed is your Oracle Certified Professional Certificate.

**Have you accessed your Oracle Certification digital badge?**

The digital badge is a data-rich representation of your credentials to display on popular social media and professional networking sites. According to LinkedIn, members with certifications on their profile get viewed six times more often - leading to more opportunities. Claim your digital badge and promote your certification achievements!

Stay current with the latest and future technologies on the Oracle Certification blog. Connect with us on Facebook, Twitter, Google+, and LinkedIn.

Keep up-to-date with Oracle University learning offerings and certification tracks at [certification.oracle.com](http://certification.oracle.com).

Congratulations on your achievement and best wishes for your continued success!

Sincerely,

Damien Carey, Senior Vice President,  
Oracle University
